

# The Age Old Reason for Joy ( key A Minor)

## Verse 1

Some **(Amin)** know very well the **(Dmin)** age old **(Amin)** story **(Dmin)** of the **(Amin)** birth and **(E7)** life of **(Amin)** Christ.  
**(As line 1)** It's hard to believe all that's been narrated in our modern world of light.  
**(E7)** Magic stories, **(Amin)** Christ ascending  
**(G)** All give some a **(C)** cause to **(E7)** doubt  
But **(Amin)** faith is the thing you **(Dmin)** must **(Amin)** develop  
To **(DMin)** give you **(AMin)** heart and **(E7)** sing it **(AMaj)** out. *This to hold with chorus start under*

## Chorus

**(AMaj)** Let us sing our **(DMin)** praise  
On this **(G)** special **(C)** day  
Young and **(F)** old as **(Bb)** one  
Full of **(E7)** love and **(A)** fun  
It's that time of year  
To be so full of cheer  
One divine birth  
And our Saviour is **(Amin)** here. *Hold in harmony*

## Verse 2

Before He was born the Ten Commandments were known by almost every man.  
God gave them to Moses well before to underline His wondrous plan.  
But man had stumbled from the path  
So God sent his Son.  
To give to the world an understanding  
Of what is right and what is wrong.

## Chorus

Let us sing our praise  
On this Christmas day  
Young and old as one  
Full of love and fun.  
It's that time of year  
To be so full of cheer  
One divine birth  
And Jesus is here.

## Verse 3

Gather all of your loved ones close around and sing of the joy this Day does bring.  
Make friends and wish them all the best and teach them all the words to sing.  
Tell your children  
And their children  
Everything thing you know that's right  
For faith and love is born at Christmas  
Through God's son Jesus Christ.

## Chorus

Let us sing our praise *(There's so much to sing about)*  
On this Christmas day *(Makes you want to shout it out)*  
Young and old as one. *(There's so much to celebrate)*  
Full of love and fun. *.(On this very special date)*  
It's that time of year *(Let us make it very clear)*  
To be so full of cheer *(Only joy and never fear)*  
One divine birth *(Happiness and merriment)*  
And Jesus is here.

## Reprise

So there is the age old reason for  
This wondrous joy at  
Christmas **(A Major)** time. *Hold in harmony*
